Billy Pate Anti-Reverse

Reel Stand

The balanced reel stand includes hook keepers for hiding points of large saltwater flies.

Frame

Our solid back frame is precision machined from the finest bar stock aluminum alloy and prevents sandand salt intrusion into the drag system.

Anti-Reverse Clutch Dog Screw

Main Drag Assembly

The large diameter impregnated
Main Drag Assembly insures
ultra-smooth and long wearing
performance. Three clicker
pins are included for improved
outgoing sound.

Backing Groove

Helps the angler to accurately determine backing capacity.

Anti-Reverse Clutch Dog Stop Screw Assembly

Double Anti-Reverse Clutch Dogs provide positive, fail safe action on all models and are ceramic coated for strength and heat dissipation.
